Early Childhood Educators will increase their awareness and benefits of physical activity inside and outside of the classroom. Be Active Kids will offer quality practices for programs for physical activity to occur during your time spent with the children. Be Active Kids will also increase best practices around physical activity and active play. The instructors will increase the use of Be Active Kids resources by sharing and putting them into action during this training. Come prepared to move around, be active and have fun!

3 DCDEE credits will be issued for this training
